Re: WELCOME TO FABULOUS LAS VEGAS SIGN Trademark License
Our File No. 0275/016

Dear Neil:

I am writing to you at Bill Britt's request. I will be working on these matters along with him, and any questions you have can be directed to Bill, or to myself. I look forward to working with you on these matters.

Enclosed is a draft trademark license for use in licensing the image of YESCO's WELCOME TO FABULOUS LAS VEGAS NEVADA SIGN trademark for use in a board game. We have drafted this license in order to protect YESCO's rights in the trademark. The license can serve as evidence of the strength of the mark and of the value of the mark. Note that the license sets a term of five years, following which renewal is at YESCO's election. Should YESCO decide not to renew the license no action will be needed. This provision also allows for the possibility of negotiating a royalty from the licensee at that time, should the game prove successful.

This license was drafted very strongly to protect YESCO's rights in the marks and you may find that some of the provisions of the license are not necessary in light of the parties and the planned use. You may decide to omit some of these provisions. The provisions relating to YESCO's control of the use of the mark, however, are important, since the control of licensed use determines the validity of a license and licensing without adequate controls may result in abandonment of the mark. Please call us if you want specific advice on retaining or omitting a specific provision from the license.

Other provisions requiring the Licensee to furnish samples of the games bearing the mark, or further games at a reduced price, will provide you with specimens to register the mark for the use with those goods. Obtaining these registrations will strengthen YESCO's rights in the mark further. We recommend that you register this mark for these goods with the states of Utah and Nevada and consider seeking a federal trademark registration as well.

We believe the remaining terms of the license are self explanatory. If you have questions on these provisions, or any other questions regarding this License, please feel free to call Bill Britt or myself.

Very truly yours,

TRASK BRITT
